Attendance Policy

Introduction

- We expect all children on roll to attend every day, when the school is in session, as long as they are fit and healthy enough to do so.
- We do all we can to encourage the children to attend and to put in place appropriate procedures. We believe that the most important factor in promoting good attendance is development of positive attitudes towards school. To this end, we strive to make our school a happy and rewarding experience for all children.
- Trustees are responsible for making sure the school keeps Admission and Attendance registers in accordance with the regulatory requirements. For all day pupils of compulsory school age our attendance register records which pupils are present at the start of both the morning and the afternoon sessions of the school day.
- This register will also indicate whether an absence was authorised or unauthorised.
- Trustees also ensure that a compliant admissions register is also kept.
- The school calendar and dates when the school is open can be accessed from the home page of our website, www.frewencollege.co.uk. Alternatively, our term dates and Calendar of Events can be obtained from the school office. School emergency closures for such things as extreme weather will also be published on the home page of our website.

The Role of the Parents/Guardians/ Carers

Parents/guardians/carers have the legal responsibility for ensuring that children of compulsory school age (5 to 18) receive a suitable education, either by regular attendance at school or otherwise.

The Role of the School

The school is required to maintain two registers:

- An admission Register (known as the School Roll)
- An attendance Register.

The Admission Register

This gives particular information about pupils who are currently registered as attending our school. For the purposes of day to day management of the school admission register will be contained within the school database, although selected information will be printed and placed in key location (such as staff room, school office and the Principal's study, to facilitate ease of access of information). The register will comprise information that is compliant with regulations set out in the education (pupil registration) (England) regulations 2006, which have superseded the regulations of 1995 and the amendments of www.opsi.gov.uk. For each pupil, the admission register will contain:

- Name in full
- Sex
- Name and address of every person known to the Governor to be a parent of the pupil (and an indication of the parent with whom the pupil normally resides)
- At least one telephone number at which the parent can be contacted in an emergency
- Day, month and year of birth
- Day, month and year of admission or re-admission to the school
- Name and address of the school last attended, if any
- An indication of boarding or day attendance (in schools which include boarders).

Attendance Register

The School is required to ensure that the attendance register for all pupils on the school roll is taken twice a day – once at the start of the morning session and once during the afternoon session.

Each pupil must be marked on the register in one of the following categories:

- Present
- Engaged in an approved educational activity away from the school site (approved by the Principal and supervised by a person approved by the Principal, including sporting activities, educational visits or residential trips)
- Absent
- Unable to attend through exceptional circumstances (unavoidable closure of the school site or part of it)

- Taking authorised absence (granted leave of absence by the Principal or a person acting on their behalf, unable to attend by reason of sickness or unavoidable cause, observing a day exclusively set apart for religious observance by the religious body to which the parent belongs)
- Taking unauthorised absence (if no reason is established when the register is taken, the entry may be corrected later when the reason is established).

If a pupil is absent, the register must say whether or not the absence has been authorised by the school. Parents/guardians/carers cannot authorise absence – it is the school that decides how to classify absences). Authorised absence is where the school has either given approval in advance for a pupil of compulsory school age to be away, or has accepted an explanation offered afterwards as satisfactory justification of absence (e.g. illness). All other absences are treated as unauthorised. Authorised absences include: medical or dental appointments, days of religious observance, visits to future schools, exclusion, family bereavement and special occasions (e.g. weddings). All requests for absence must be made in writing to the Principal, giving the school plenty of time to consider the request.

If a pupil is absent without explanation when the register is called, school staff will normally contact the parents/guardians/carers the same day whenever possible. The absence will be treated as unauthorised unless an explanation is offered as satisfactory justification for absence. Under education law, parents/guardians/carers may request absence for their children from school for family holiday. It is schools to determine whether or not they agree to a family holiday during term time. Schools may authorise absence for the purpose to a maximum of 10 school days in any school year. Our School feels that family holidays should be taken when the school is not in session, unless there are exceptional circumstances.

Failure to Attend School

If a child fails to regularly attend school then the parent/carer/guardian is guilty of an offence (Educational Act 1966). Initially, the school will try to resolve any problems, but in the case of continued absence the school will contact the Local Authority (LA) and it is likely that the Behaviour and Attendance Officer will work closely with the parents, pupil and school to resolve issues and develop strategies to improve attendance. The school is required to inform the LA if a pupil fails to attend regularly. Independent schools have a legal duty to report certain attendance issues to their local authority: ten days of unauthorised absence (other than for reasons of sickness or leave of absence), failure to attend regularly, and deletion from the school register when the next school is not known. In this last case, independent schools are required to report the circumstances as soon as possible to the local authority (LA) in which the pupil lives.

Responsibilities

- It is a parent/guardian's responsibility to inform the school of the reason for a pupil's absence on the first day of absence.
- A parent/guardian should phone school before 0915 giving the pupil's name and reason for absence.
- Pupils are expected to be in school at 0850 for registration / assembly. It is the responsibility of parents / guardians to ensure that their child is punctual.
- Lateness is recorded at registration and recorded on a pupil's attendance record.
- If your child appears reluctant to attend school please discuss the matter promptly with your child's Form Teacher Tutor to ensure that both you and your child receive maximum support.

Role of Pupils

- Each pupil at Frewen College has a duty to ensure that he/she attends school punctually and regularly.
- It is your responsibility to get caught up on work missed as quickly as possible.

Family Holidays during Term Time

- Family holidays should not take place during term time due to the impact they have on pupils' learning.
- In exceptional circumstances, if a family holiday is deemed necessary, permission should be sought in writing from the Principal.
- Family holidays taken during term time will be categorised as an unauthorised absence.

Definitions

Authorised absence

- An absence is classified as authorised when a child has been away from school for a legitimate reason and the school has received notification from a parent. For example, if a child has been unwell, the parent/carer/guardian writes a note or telephones the school to explain the absence.
- Only the school can make an absence authorised. Parents do not have this authority.
- Consequently, not all absences supported by parents will be classified as authorised. For example, if a parent takes a child out of school to go shopping during school hours, this will not mean it is an authorised absence.

Unauthorised absence

- An absence is classified as unauthorised when a child is away from our school without the permission of both the school and a parent.
- Therefore, the absence is unauthorised if a child is away from school without good reason, even with the support of a parent.

If a child is absent

- When a child is absent unexpectedly, the class teacher will record the absence in the register and will inform the school office.
- When the child returns to school, a note, email or telephone call to the school office from a parent or guardian should explain the absence. Notes are kept in the school office.
- A note, email or telephone call may be sent/made to the school office prior to the day of absence e.g. if a child has a medical appointment.
- If there is any doubt about the whereabouts of a child, the class teacher should take immediate action by notifying the school office. Frewen College will then be in contact straight away with the parent or guardian, in order to check on the safety of the child.

Requests for leave of absence

- We believe that children need to be in school for all sessions so that they can make the most progress possible. However, we do understand that there are exceptional circumstances under which a parent may legitimately request leave of absence for a child to attend a specific event.

Long-term Absence

- When children have an illness that means they will be away from our school for over five days, the school will do all it can to send material home so that they can keep up with their school work.

Repeated Unauthorised Absences

- The school will contact the parent of any child who has an unauthorised absence.
- If a child has a repeated number of unauthorised absences, the parents will be asked to visit the school and discuss the problem, and/or inform the LA, as per the guidance above..

Monitoring and Review

- It is the responsibility of the Principal to monitor overall attendance and seek to ensure that the attendance figures are as they should be.
- The school keeps accurate attendance records on file for a minimum period of five years.
- Class teachers will be responsible for monitoring attendance in their class and for following up absences in the appropriate way.
- Any ongoing absences, 'lates' or unauthorised absences for holidays are followed up as quickly as possible.
- If there is concern about a child's absence, the teacher will contact the school office and this will immediately be followed up by the Principal.
