

Dear **Parents, Carers, Staff, Students** and **Friends**,

We are pleased to announce that Frewen College PTFA have teamed up with a new charity called [schoolangel.org.uk](http://www.schoolangel.org.uk) which will help our school to raise money.

We can then spend the money on helping our students get the most out of school. School Angel works with lots of big brands in the UK\* which have agreed to donate a portion of the profit, they normally make on your shopping if you use the School Angel website to visit their shop. Please see attached retailers list – you'll be surprised at the wide range available for all your shopping needs.

You are guaranteed to only pay exactly the same price, for whatever you buy, but our school will also receive a donation.

School Angel is really simple to use and our school has its own charity page already set up which you can visit here:

<http://www.schoolangel.org.uk/frewen-college.html>

Once on the page all you need to do is click on the logo for whatever shop you would like to visit. School Angel does not need you to ever create an account or login, there are no passwords to remember and they will never trouble you with any junk mail.

We are excited that School Angel can help our school raise lots of money which we want to use for improving our outdoor spaces and school council priorities. So please remember to use the School Angel site **every time** you shop online and please ask your friends and relatives to support us too!

\* **N.B** if using abroad please ensure you buy on **UK sites only** as non-UK retail sites won't work.

Thank you.
